## Kids HQ Lesson #5

### **Luke 10:27**

***Love the Lord your God with ALL your heart and with ALL your soul and with ALL your strength and with ALL your mind. Love your neighbor as yourself.***

How do we love God with our all our hearts?

- We can love God by doing what He wants us to do.
- We can love God by loving others.
- We can love God by talking to Him through prayer.

God loves us. It's true. And, it's not a little bitty love either. It's a HUGE, AMAZINGLY BIG love. He loves us so much He sent His Son to die for us. Jesus said we are to love God and love people. We are to love God with ALL our heart. And, because we love God, we are to love people also. All people. All of them. This loving of people begins at home.

### Family Activity:

Care and compassion are a part of love. When we feel care and compassion toward others, the appropriate response is to show it. Talk about ways you can show care and compassion with your child. These may include offering a kind word to a sad friend, helping someone in need, or doing something for someone that they cannot do for themselves.

Use this idea to help kids visualize the ways they can serve Jesus: Trace your child's hands and feet onto white paper, and then cut out the shapes. Have kids write or draw on the appropriate cut outs ways they can use their hands or feet to serve Jesus and others. Then hang the hands and feet in a prominent place in your home.

Each day have kids add ideas and discuss how they used their hands and feet to serve Jesus.
